The history, growth and the ever-increasing importance of the Annie M. Warner Hospital to Adams County and its adjacent area were described to the Gettysburg Rotary Club at its weekly meeting Monday evening at the YWCA by Henry M. Scharf, secretary of the hospital board of directors and chairman of its finance committee.

"The pride the people of Adams County have in the hospital is clearly justified," he declared, "for the hospital is the sum total of 40 years generosity and unselfish devotion of the citizens of the county, the physicians of the county, the county-wide women's auxiliary of the hospital, the hospital bridge club and countless other organizations throughout the area."

Pointing out that a mere 40 years ago, prior to the opening of the hospital in 1921, local residents requiring emergency surgery had to be sped over a rough macadam turnpike to Chambersburg. The speaker established the following landmarks in the hospital's progress and development:—

BUILD SURGERY SUITE

The year it was opened — 1921; the year the nurses' home was built — 1925; the year the Christian H. Musselman Memorial Annex was completed — 1946; the year the North Wing was completed — 1956; the year the X-ray building was completed — 1957, and the completion of the South Wing and the boiler house — 1960.

APPEAL TO PEOPLE

"This magnificent facility is now under construction on the second floor of the North Wing. It will cost \$350,000 and we must again turn to the people of this county and adjacent area for the funds that are necessary. We are completely confident they will respond," the speaker exclaimed.

INCREASE IN EXPENSES

Only 757 X-rays were taken in 1955 as compared with 18,873 in 1959-60. Clinic treatments went from 13,044 in 1956 to 15,499 the last fiscal year.

"The vast increase in service and the addition of new structure."

BARTLETT NABS FUGITIVE, 23, IN STOLEN CAR

Scotty Robinet, 23, an escapee from the Huntingdon County Prison since Nov. 14, was apprehended by Gettysburg Police Chief Jack Bartlett about 11:20 o'clock Monday morning in the third block of S. Washington St. A state policeman, who was called to the scene, assisted with the arrest.

Robinet is one of five prisoners who escaped from the Huntingdon jail and the third to be captured. Still at large are Raymond Wade, 36, Washington, Pa., and Norman Keller, 25, Farrell, Pa.

A phone call from a local service station owner to state police initiated the arrest by Bartlett. The proprietor became suspicious when Robinet asked to sell his back-up lights from a stolen 1961 Plymouth he was driving. He sent the convict to a secondhand store and immediately called the police, giving them the license number on the Plymouth. State police told the gas station owner to call Chief Bartlett while they checked out the license number.

CAR BLOCKS ESCAPE

Bartlett had no more than put on his jacket to start an investigation when he received a state police call that the 1961 Plymouth was a stolen car.

Arriving at the intersection of W. High and S. Washington Sts., Bartlett saw a man getting into the stolen car. He drove the police car at an angle in front of the Plymouth to head off the convict. Bartlett later said Robinet had the motor running and was ready to drive away. A state policeman arrived and assisted Bartlett search the escapee and his car. Robinet was unarmed. In his car they found some jackets, believed stolen from a small town in the western part of Pennsylvania, and some tools. The spare tire and (Continued On Page 2)

W. Clay Shuff, 68, Emmitsburg, Dies

William Clay Shuff, 68, a lifelong resident of Emmitsburg and veteran of World War I, died at the Warner Hospital Monday evening at 9:20 o'clock after having been a patient there for two days.

He was a son of the late Millard F. and Helen (Zeck) Shuff and was a member of the Elias Lutheran Church in Emmitsburg. He also belonged to the Lloyd Mackley Post No. 1319 of the American Legion at Thurmont. He had served in the armed forces from September, 1917, to May of 1919.

Surviving are his wife, Carrie (Sharr) Shuff; three sisters and a brother, Miss Mary J. Shuff, Frederick; Mrs. J. William Rowe, Miss Ruth and Millard F. Shuff Jr., all of Emmitsburg.

Funeral services Friday morning at 10 o'clock at the Wilson Funeral Home in Emmitsburg with his pastor, the Rev. Philip Bower, officiating. Interment in Mountaintop Cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

At Least Six Are Killed In Season's First Snowstorm; Mercury Drops To 24 Below

By THE ASSOCIATED PRESS

The season's first full-blown snowstorm, which caused at least six deaths in the north-central portion of the nation, skipped across the Great Lakes region into Ontario today.

The storm, expected to grow weaker by nightfall, still spread high winds and blowing, drifting snow in northern areas.

Early today a heavy fog shrouded much of New York City, hampering sea, land and air traffic. More than 50 flights were delayed at Idlewild and La Guardia airports, some as far away as Buffalo and Detroit. A ferry carrying 2,000 passengers and a tanker collided in the harbor. One passenger was slightly injured.

MERCURY HITS 24 BELOW

At midmorning, snow still was falling over an already well-blanketed area from the upper half of the Mississippi Valley to the Great Lakes region. Blowing and drifting snow added to the hazards of motoring.

Temperature readings skidded during the night. Vandalia, Ill., reported a drop of 42 degrees

PUC HEARING ON RR BRIDGE IS CONTINUED

Public Utilities Commission Examiner George B. Stuart Monday afternoon continued into mid-December the state's hearing into the Western Maryland-Cumberland Twp. railroad bridge controversy.

Until the hearing is completed, possibly a matter of two to two and a half weeks, there was every indication that the bridge, closed three days ago by order of the township supervisors, will remain closed to traffic.

The supervisors and their engineers have branded it "unsafe." The Western Maryland, which pleaded "surprise" at Monday's hearing when the testimony turned in the direction of a new bridge instead of the matter of repairs to the present structure, was given about two weeks to come up with plans and cost estimates for repairs to the present bridge which would increase its load capacity to the point where the township supervisors might be willing to life the barricades.

The position of the supervisors and their consulting engineers, Buchart Engineering Corporation of York, is that the bridge should be replaced with a new, two-lane span and that the railroad should have come into Monday's hearing under full notice that the load capacity of the present span would be up for consideration.

ONLY OWNERLESS BRIDGE

The bridge in question is on a road connecting the Lincoln Highway and the Mummaburg Rd. about three miles west of here. It crosses the Western Maryland a short distance north of the Lincoln Highway at a point where the railroad tracks pass through a deep cut.

Western Maryland officials testified Monday the bridge is the only one in the railroad's system for which ownership cannot be established. Searches of township, railroad and county records have failed to show who built the bridge. Railroad men said that in most cases the owner maintains the bridge and the dispute here stems from the lack of proof of ownership.

A Buchart engineer was quoted as calling the span "a horse and buggy bridge" that needed to be replaced. Railroad officials testified the span is "adequate" for (Continued On Page 3)

ADAMS SCHOOL DIRECTORS TO MEET DEC. 8TH

Plans are being completed for the 70th annual convention of the Adams County School Directors' Association and the first one in a number of years to be held in Gettysburg.

The convention will be held Thursday, December 8, in the Eisenhower Elementary School beginning at 9:30 a.m., and including a dinner session in the school cafeteria and an afternoon business meeting.

Among the speakers will be Dr. Thomas R. Miller, president of the Edinboro State College.

Letters notifying the directors of the convention plans have been issued by the office of the county superintendent of schools. Directors are asked to make their dinner reservations by Friday of this week. The cost of the meal will be \$1.50.

"PRIVILEGE AND DUTY"

Directors attending the session will be eligible under state law to receive from school district funds \$12 plus mileage at the rate of seven cents per mile.

"It is every director's privilege and duty to attend the convention," it is stated in a letter signed by County Superintendent of Schools C. P. Keefer and William M. Lott, president of the county board of school directors. With no urgent business requiring attention, the county board of school directors omitted its regular November meeting Monday evening and announced a board meeting will be held after the convention on the afternoon of December 8.

Only auditors and delegates and alternates to the state school directors' convention will be elected at the county convention this year. No positions are to be filled on the county board of school directors.

LADIES' NIGHT FOR KIWANIS

"Thanksgiving" was the theme for a ladies' night address by the Rev. Dr. Nevin Smith, pastor of Emmanuel Church of Christ of Hanover, before the Gettysburg Kiwanis Club Monday evening at the Varsity Diner.

The speaker deplored "our casual and indifferent attitude toward traditional events such as Thanksgiving Day and Veterans' Day in November. We owe so much to the past and its traditions that we dare not show ingratitude toward those who have made possible our blessings," Dr. Smith said.

"What foreigners would most like to take home from America are the smaller things of the mind and heart and spirit about which we are complacent but which form the real blessings of life. It is our responsibility to be more appreciative of the many intangible blessings we enjoy and to help others acquire and enjoy them too," he said.

About 50 attended the meeting with President William Ditzler presiding. There were guests in attendance from Taneytown and Chambersburg.

HOG IS KILLED

Harvey Warner, Peace Light Inn, today reported to police that one of his 200-pound hogs had been killed. He said it had been shot with a .22 caliber bullet. It is valued at \$50. Police are investigating.

Women Battle Police Over School Issue

NEW ORLEANS (AP) — Police jostled a path through angry, yelling white mothers today so a Protestant minister could escort his five-year-old daughter into an integrated New Orleans school.

Blocking mothers hanged two white mothers who had taken their children into William Frantz School, beat and kicked the women's car in frustration as the pair drove off.

"They should beat her 'til she can't stand up," screamed one woman.

Despite the human barrier, the boycott at William Frantz School weakened. Two white children went to that school with the one Negro first-grader Monday. Four entered and stayed for classes today.

The boycott held firm at the other integrated school, McDonogh No. 19. School officials said no white child showed up for today's classes.

G. W. REBERT, 90 PASSES AWAY THIS MORNING

George W. Rebert, 90, died at his home, 63 N. Queen St., Littlestown, this morning at 6:45 o'clock following a prolonged illness. He had been confined to his bed for the past 10 months. He was the son of the late John and Louise Geiselman Rebert.

The deceased is survived by his widow, Sally Basehor Rebert; six children: George J. Rebert, Mrs. John H. Riley and Mrs. Ernest M. Brown, Littlestown R. 1; Erwin A. Rebert, Littlestown; Mrs. Alvin C. Gerrick, Littlestown R. 2; Samuel H. Rebert, Ickesburg; 20 grandchildren and 38 great-grandchildren; a brother, Daniel Rebert, Hanover, and one sister, Mrs. Sarah Yohe, Pittsburgh.

Rebert was a retired farmer and a lifelong member of the United Church of Christ, near Littlestown.

Funeral services will be held Thursday at 2 p.m. at Little's Funeral Home, Littlestown, with his pastor, the Rev. G. Howard Koons, assisted by the Rev. Lawrence H. Roller, pastor of St. Paul's Lutheran Church, Littlestown, and the Rev. David S. Kammerer, retired Lutheran minister, officiating. Interment will be in the Mt. Carmel Cemetery, Littlestown.

Friends may call at the funeral home Wednesday evening.

Veteran Sergeant Joins Guard Here

Sgt. C. J. Sheffield has enlisted in the local National Guard and will serve as the battery motor sergeant, it was announced today by Lt. James A. Orndorff, recruiting officer. Sgt. Sheffield served in the regular army as a motor platoon leader for 11 years, including service overseas.

At the regular meeting Monday evening, the entire battery attended an echelon of maintenance class instructed by Sgt. Thomas Hemler and SP4 Fred Harner. Three training films and a practical exercise period were held the first hour, while the second session was utilized for maintenance of sectional equipment.

Lt. Orndorff announced that there are still some vacancies in the local guard unit.

16 Die When Train Rams School Bus

LAMONT, Alta. (AP)—A Canadian National Railways train struck a loaded school bus here today and a school official said about half the 32 children aboard were killed.

The crash came in subzero weather at a grade crossing a quarter mile from the railroad station of Lamont, 45 miles north-east of Edmonton, Alberta's capital.

Harry Sharuk, chairman of the Lamont School Board, gave the estimate that half the children died. Others were injured. The wreckage was carried down the track into the town itself and the victims were strewn along the right-of-way.

Frank Butney, driver of the bus, survived.

M. Woycenko, secretary-treasurer of the school division, said the train — a through freight — struck the bus "smack in the middle."

He said the students were mainly from the Chipman district, 10 miles southeast of Lamont. They attended grades 10, 11 and 12.

The crash occurred at about 9 a.m.

Royal Canadian Mounted Police and rescue workers rushed to the scene to pry children free of the wreckage.

The injured were taken to the Lamont Hospital, where officials said they were too busy to give details.

Miss Diehl To Be Buried Thursday

Funeral services for Miss Esther Diehl, 69, who died Monday morning at 8:47 o'clock in the Warner Hospital from a fracture of the skull and other injuries suffered in a fall on a stairway at her Biglerville R. 2 home, will be held Thursday afternoon at 2 o'clock.

The services will be conducted at the Dugan Funeral Home in Bendersville by her pastor, the Rev. Dr. Henry W. Sternat, of the Biglerville Lutheran Church. Interment will be made in the Biglerville Cemetery.

Miss Diehl was a daughter of the late Oscar O. and Florence (Hart) Diehl. She was born and lived all her life in Adams County.

FBI Arrests Convicted Slayer For Kidnaping

LOS ANGELES (AP) — FBI agents converged on a startled Frank Marrone at a Los Angeles intersection early today and arrested him in the kidnaping of a week ago of wealthy sportsman Anthony Alessio.

The FBI said Marrone, 31, a convicted murderer with a long police record, was unarmed and offered no resistance. His first comment, agents related, was: "I knew the FBI was smart, but I've never seen so many in one place."

The agents said Marrone—driving his own 1953 automobile—carried currency identified as part of the \$200,000 ransom paid by the Alessio family to secure his release.

KIDNAPED A WEEK AGO

Alessio, 41, abducted from in front of his fashionable San Diego home last Tuesday, was found unharmed later in a San Diego mo-

tel. He is executive director of the Caliente race track in Baja California. The track is believed to be owned by the Alessio family.

A widespread search for Marrone commenced after the FBI arrested his wife, Selma, 25, and another couple in Hollywood last Friday. Agents recovered \$77,900 of the ransom money at that time.

Don Keller, San Diego County district attorney, said he planned to file formal kidnap charges against the three. The other two are James R. Gorman, 29, identified as an escaped convict also wanted for a \$13,000 Huntington Park, Calif., market robbery; and Gorman's wife, Ruby, 30.

The FBI, adhering to customary procedure, declined to say how agents happened to catch up with Marrone. Agents said he was carrying part of the ransom loot in \$10, \$20, \$50 and \$100 bills.

JAIL YOUTHS FOR BEATING AND ROBBERY

State police from the Gettysburg substation at noon today captured two Littlestown R. 1 youths sought since Monday evening for the vicious beating and robbery of Harry Edgar Shanefelter, 28, Hanover R. 1.

Acting on a tip from Park Ranger Emless Nett that the pair had not left the community. State Troopers Russell Rickert and Bernard T. Rhodes began a search of the town and captured the pair in their auto in an alley off Chambersburg St., near the Eagles' home.

They were taken to jail and will be formally charged later today before Justice of the Peace Anna Thompson, York St.

The prisoners are Maurice Edward Miller, 19, and Larry Richard Miller, 20, both of Littlestown R. 1.

ONE RECOGNIZED

One of the assailants was recognized by Shanefelter who said the pair beat him with their fists and kicked him from 9 to 9:30 o'clock Monday evening in his home after gaining entrance on a pretense that they had come to pay Shanefelter money one of them owed him.

When they got inside the house where Shanefelter lives alone, they demanded to know where he had his cash hidden. After a half hour beating in which the victim's jaw and nose were broken, Shanefelter told the pair his money was hidden in a bedroom closet. The men stole \$130 in cash out of the hiding place and left. They also stole a watch and a silver-plated name bracelet.

POLICE ARE CALLED

Shanefelter went to the home of a neighbor, Cloyd E. Willow, 35, also of Hanover R. 1, and state police were called from there.

The victim of the beating and robbery said the cash was money he had earned picking fruit this year and was being saved for Christmas gifts.

Shanefelter was brought to the Warner Hospital where he remained a patient today, painfully but possibly not seriously injured. In addition to the jaw and nose fractures, he suffers from contusions of the neck, chest, forehead and chin.

State police revealed today that (Continued On Page 2)

Area Drivers In Maryland Accident

A Carroll County motorist and companion escaped serious injuries when their car was demolished in a crash on the road west of Fountain Valley, near Westminster, at 4 a.m. Monday.

Robert Wayne Eckenrode, 18, Taneytown R. 2, driver of the car, and Larry James Baker, 17, Emmitsburg R. 2, received only minor cuts and bruises when their car ran off the right side of the road, struck an abutment and a tree, ran down an embankment and overturned in a creek bed.

They were treated at the office of Dr. Julius Chepko, Westminster. Eckenrode also had his foot x-rayed at Warner Hospital. The accident was investigated by Trooper T. L. Wood.

Eckenrode has been charged with reckless driving and operating without a license. A hearing will be held December 6 before Trial Magistrate G. Norman Hunter, Westminster.

I. J. GELWICKS ENDS HIS LIFE

A fatal gunshot wound was ruled self-inflicted Saturday afternoon by Washington County (Md.) Medical Examiner Dr. E. W. Ditto Jr. He said Isaac Jacob Gelwick, 78, Hagerstown, took his own life.

Gelwick's body was discovered by his son, Russell I. Gelwick, who called at his father's house Saturday morning.

Officer Harold Kline and Gelwick's son found a three-page letter addressed to Russell. In it the dead man wrote that all his worldly property was to go to the son. The letter included an elaborate list of hiding places where the senior Gelwick had cached money.

WAS IN ILL HEALTH

Russell Gelwick confirmed that his father had been in poor health for the past five years and had often talked of killing himself. The elder Gelwick had been a widower since 1942.

Gelwick was born in Emmitsburg and worked for the Western Maryland Railway as a machinist before retiring.

He was the son of the late Joseph and Mary (Munshower) Gelwick, and resided in Hagerstown for 57 years.

Surviving are a daughter, Mrs. William Carter, Hagerstown; sons, Joseph F., Williamsport R. 2, Md.; Russell I., Hagerstown; 16 grandchildren and 12 great-grandchildren.

A private funeral service was held at the Suter-Rouzer Funeral Home, Hagerstown, today, at 2 p.m. Interment was in Rose Hill Cemetery.

GRAND JURY STARTS PROBE OF VOTE FRAUD

CHICAGO (AP)—The Cook County grand jury today begins an investigation of charges of vote frauds in the Nov. 8 election in Chicago.

The jurors planned to hear the first of a number of polls officials who are expected to testify.

The Chicago Board of Election Commissioners, dominated by Democrats, arranged to start a recheck of paper ballots at the demand of Republicans, whose county ticket took a top-to-bottom trouncing in the election.

On the side of the grand jury inquiry, Edwin T. Holzman of the election board reported that applications for ballots in the 50th Precinct of the 2nd Ward had disappeared from a vault on the third floor of the City Hall.

In that precinct—one of 5,199 polling places in the county—84 votes were cast, although only 22 registered voters lived in the precinct at the time.

The recheck of 486,000 ballots in 863 precincts under the jurisdiction of the election board is aimed at ascertaining whether there is any ground for a suit for a recount.

Holzman said the proceedings will not apply to Vice President Richard M. Nixon who lost Illinois to President-elect John F. Kennedy by a knife blade edge of 8,849 votes.

Cook county's vote already has been proclaimed officially, and the victorious county Democrats plan to take office Monday.

But the canvassing board must act before the state-wide results are official. The board, 4 to 1 Republican, met briefly Monday. It took no action. But it is expected to meet again within a week.

The one firm date on the calendar is Dec. 19, when the state's 27 electoral votes will be cast formally for Kennedy, if his electors are certified by the state board.

FIND WRECKAGE OF PLANE CRASH

LOS ANGELES (AP)—Forest rangers Monday night found the wreckage of a missing plane that carried four persons—including the ex-wife of violinist George Liberace—to their deaths.

The plane, missing since May 15 on a flight from Las Vegas, Nev., to Van Nuys, Calif., was found near Mt. Wilson, about 25 miles northeast of Los Angeles. Others aboard included Ralph Quattoroli, 46, a wealthy Modesto, Calif., cannery owner and pilot; Ross Perrino, 49, a Los Angeles executive, and Perrino's wife, Santana, 45.

Wreckage was scattered over a wide area in nearly inaccessible terrain of the Angeles National Forest. Liberace's ex-wife, Jayne, 42, divorced her husband, brother of pianist Lee Liberace, in September 1959. Her sister said she and Quattoroli had planned to wed.

TO MOVE SQUADRON

WASHINGTON (AP)—The U.S. Air Force 770th Radar Squadron, now stationed at Palermo Air Station, N.J., will be moved early in 1961 to Ft. Meade, Md., where it will share facilities with the Army and the federal aviation agency.

In another shift announced by the Air Force Monday, the 772nd Radar Squadron will move from Clarksburg, Pa. Air Base to Gibbsboro, N.J., early next year.

The 110 military personnel and 12 civilians involved will be housed at Pedricktown Army Base, N.J.

PITTSBURGH (AP)—C. M. Barr, 84, former Republican state senator and Allegheny County commissioner, died Monday at his home. Barr served in the state senate from 1919 to 1927.

NASHVILLE, Tenn. (AP)—After two men robbed a service station here, attending Jody Stroud didn't have a dime left to call police.

He got a dime, Police Sgt. Gordon Vance reported by turning in empty bottles in a nearby store.

MISFORTUNE HITS LUCKY QUEEN SUNDAY

HOLLYWOOD (AP)—Hard luck always wins the prize on the long-time daily television series, "Queen for a Day."

On Nov. 21 one of the contestants, Garlene Cromer, 27, told her husband's misfortune:

Her husband, William, 32, recently went blind. She supported him and their three sons by working as a telephone operator. He tried to help by doing the cooking but found it hard to light a kitchen range with a pilot light. She wanted a range with a pilot light.

The audience considered Mrs. Cromer's story the most appealing and she was awarded the range and other prizes, including telephone-company stock for the youngsters. There was joy in the Cromers' house at suburban Lakewood.

SERIOUS ACCIDENT

Sunday their misfortune turned much worse.

The family was out riding, with Mrs. Cromer at the wheel. Their car was in a collision with another which sheriff's deputies said had gone through a red light.

Bruce Cromer, 3, was killed. Mrs. Cromer suffered a broken pelvis; her husband eight broken ribs and possible internal injuries; son Gary, 10, a broken leg; son Robert, 6, a severely lacerated face.

Three persons in the other car also were hurt, including the driver, Charles W. McMorris Sr., 40, Long Beach, who was booked on suspicion of manslaughter and drunken driving.

The triumphant crowning of Mrs. Cromer on television, tape-recorded eight days ago before a special audience of telephone operators, was scheduled for airing today.

JAIL YOUTHS

(Continued From Page 1)

They had the Miller boys at the state police substation here for questioning Monday afternoon in connection with another investigation but had released them. A few hours later the call came in on the assault and robbery at the Shanefelter home.

NEED SHAVES, HAIRCUTS

The teletype description broadcast by police on the pair said they were last seen driving a 1956 Ford sedan with no hub caps and with reds painted bright red. The car is two-tone green with the middle section painted white. It bore Pa. license plates Y58575.

Both were described as needing shaves and haircuts. Maurice Miller weighs about 120 pounds, is of slender build, five feet eight inches tall, wearing a tan shirt and gray work trousers. Larry Miller weighs about 140 pounds, is five feet nine inches tall with dark hair and dirty clothing. Shanefelter's home is about three miles west of Hanover along the Littlestown Rd.

Garden Club To Meet At YWCA

Thursday at 7 p.m. the Gettysburg Garden Club, YWCA, will meet in the YWCA dining room to make arrangements for its Christmas greens sale on December 16. Members have heard flower arranging specialists in Harrisburg, Hanover and Biglerville and have had classes of their own taught by Mrs. J. Cookman Boyd of Baltimore and Mrs. P. J. McGlynn of Biglerville. Many of the members are amateur award winners in the arranging art.

The money earned from the sale will be used for future projects and civic interest projects that will develop "as the Garden Club, not yet a year old, grows into responsibility of making gardening of vital interest to all citizens who wish to contribute flowering beauty to fit the historic background of our national park battlegrounds," a club official said.

GOP 'Appreciation' Event Is Planned

The Adams County Republican Committee announced today its plans for an "appreciation" meeting and buffet Thursday evening in the Cashtown Fire Hall intended for all who contributed to the Republican sweep in Adams County at the polls on election day.

FINALLY CONFESSES

Robinet was taken to the state police barracks and questioned. At first, he told troopers he was from York and had purchased the car about two weeks ago. Later, he confessed the whole story.

It was revealed later that the car had been stolen November 21 in Findleyville, Washington County, the second stolen vehicle the convicts used since their escape. Robinet said he had left the state, driven through Maryland, Virginia and into North Carolina looking for work, and Sunday decided to return to this area.

Robinet was committed to the Adams County jail at 6 p.m. Monday by Justice of the Peace Anna E. Thompson as a fugitive from justice. State police are expected to remove him to Huntingdon prison later today.

He was serving a four to eight-year sentence for burglary and larceny when he escaped.

Japan Asked To Pay Share Of Aid

FUKUOKA, Japan (AP)—The United States said bluntly today it hopes Japan will help share the increasing burden of aid to underdeveloped countries because of the recent drain on American gold reserves.

The appeal was made by U. S. Ambassador Douglas MacArthur II in a speech to the Fukuoka Japan-America Society.

Pointing to Japan's present prosperity, MacArthur said: "We in America hope that Japan will find more opportunities for extending economic aid, technical assistance and the benefit of her own experience to the free countries of the less developed areas of Asia, Africa and Latin America."

Chester Bowles To Serve In Kennedy Administration

WASHINGTON (AP) — President-elect John F. Kennedy indicated after a conference with Chester Bowles today that the former ambassador and Connecticut governor will be offered a place in his administration.

Kennedy was not definite as to what post he might have in mind for the man who was his chief campaign foreign policy adviser.

Bowles has been among those mentioned as possible choices for secretary of state in the new Cabinet.

But Kennedy, standing in the doorway of his Georgetown home with Bowles, told questioners their 65-minute breakfast talk did not involve the future of Bowles, now a retiring member of the House of Representatives.

WON'T REVEAL PLACE
"We didn't discuss that," Kennedy told newsmen, but added: "We will be discussing it."

Kennedy passed up a question as to what place that might be. Kennedy said the conference this morning concerned the world situation generally.

"Mr. Bowles has talked to a good many representatives of other governments, both here and in New York, and brought me up to date," he said.

He said Bowles had talked with representatives of as many as 15 governments, but declined to say which ones.

Bowles himself declined to elaborate on what Kennedy had to say. He said he was going to his office to catch up on correspondence.

KAYE POLLOCK NAMED QUEEN

CHICAGO (AP)—An Iowa farm girl was a step closer to her dreams today thanks to a blue ribbon on the flank of her 1,050 pound Hereford named Hercy.

Kaye Pollock, 15, of Mount Auburn, Iowa, became the 1960 livestock queen Monday when Hercy, a junior yearling she raised from a calf, was chosen grand champion steer of the International Livestock Exposition.

Hercy faced two other impressive beef animals when the final choice was made: a 1,060-pound Aberdeen Angus summer yearling that won the reserve grand championship, and a 950-pound Northern senior calf, both shown by Pennsylvania State University.

The reserve grand champion, P.S. Maximilian, was fitted for the show by Prof. Herman Purdy who is in charge of beef cattle at Penn State. He has advised President Eisenhower on the cattle at the President's farm near Gettysburg, Pa.

3 PACIFISTS HELD IN JAIL

NEW HAVEN, Conn. (AP) — Three of the nine young pacifists arrested for trying to interfere with the launching of a nuclear submarine last Tuesday were still in jail today.

Behind bars are William Henry, 26, of Lodi, Wis.; Richard Zink, 20, of Ambler, Pa.; and Donald Martin, 20, of Wellesley, Mass. The others have posted bond.

Monday U. S. Commissioner Robert H. Alcorn ordered the entire group bound over to the federal grand jury.

Alcorn reduced bond for the eight men in the group from \$3,500 to \$1,500 and continued that of Miss Madelyn Gins, 19, of Island Park, N.Y., at \$1,000.

Miss Gins has been free on bond since the day after the incident, in which she and the others rowed small boats into the launching area as the A-sub Ethan Allen went down the ways at Groton. Two of the men succeeded in swimming to the sub.

Scharf

(Continued From Page 1)

tures, increasing the bed capacity as well as the services of the hospital, reflects itself in what it costs to operate the hospital," Scharf said.

"Actual expenses in 1956 were \$390,000 while in the fiscal year 1959-60 they were \$736,000. Free services in 1956 were \$14,500 but in 1959-60 free services cost \$32,000. In the same year, 1959-60, the payroll was \$448,000 and this year will approach the half-million dollar mark."

VALUED AT \$1,235,000

The finance chairman illustrated the present level of the hospital by pointing out that inventories of food, supplies and medicines average \$30,000 and accounts receivable, principally insurance, Blue Cross claims and state appropriations in the process of payments, hold in the neighborhood of \$60,000.

The present hospital plant and equipment stands on the books at \$1,235,000, divided as follows:

Land, \$6,250; original hospital building, equipment and nurses home, \$136,750; the Musselman annex, \$230,000; north wing, \$230,000; X-ray building and equipment, \$90,000; south wing, the boiler house and equipment including the new kitchen, \$542,000.

MAJOR CONTRIBUTIONS

Major contributions to the hospital plant and equipment account over the course of years were identified as the \$230,000 Musselman Annex; \$10,000 deep X-ray equipment from the Gettysburg Elks; \$41,000 from the Ford Foundation; \$133,500 Hill-Burton federal aid toward the south wing and \$8,650 from Civilian Defense funds to pay half of the emergency generator.

"The hospital spent \$63,000 of its own funds for X-ray equipment and for modernizing the original structure as other buildings were added," Mr. Scharf explained.

"The campaign for capital funds in 1956 to build the north wing raised \$216,000 and the drive in 1958 to construct the south wing totaled \$301,500 in cash or an aggregate of \$517,500.

"The remaining \$231,350 to create this \$1,235,000 plant came from the original subscriptions and many other contributions from individuals and organizations of money for equipment and equipment itself.

"Although there are no accurate records, the Women's Auxiliary must have raised nearly \$100,000 of this sum over the years and the Hospital Bridge Club has purchased much of the equipment in our therapy department. The Adams County Crippled Children's Association has made major contributions that permitted the recent development of this department."

ENDOWMENT FUND

The finance chairman reported that endowment funds of the hospital, ably administered by three county banks and one Carlisle bank, total \$148,250.

"This is a small endowment for so large an enterprise as our hospital, but the careful management of our trustee banks brings a good yield and modest bequests are frequently coming to the hospital to increase these endowment funds. Within recent weeks we have been remembered in the wills of former patients, a \$500 bequest from Illinois and a \$1,850 bequest from a former patient from Westminster."

Scharf paid tribute to the founders and to many who directed the hospital in its early days, among them, Dr. J. A. Singmaster, William Arch McClean, S. Gray Bigham, John D. Keith and Dr. J. McCrea Dickson. He noted also the many contributions of the furniture factories, under the management of M. C. Jones, and of the C. H. Musselman Company and the Musselman family to the hospital.

PROVES LOCAL INTEREST

"It is evidence of the community interest and support of the hospital that in its 39-year history, with the exception of the letter-campaign fund that has operated for the past 12 years or more, the hospital has not had to conduct an annual drive for operating funds.

"The letter campaign, yielding \$10,000 to \$12,000 a year from small subscriptions, has always taken up operating deficits or the excess of free services over the state and county appropriations. The support the letter campaign so consistently receives is an excellent barometer of the good will the hospital enjoys among the people of the area it serves."

The speaker paid tribute to the physicians of the county for their service to the hospital through the years without cost to the hospital. COMMENDS DOCTORS

"Our doctors exemplify the fine support the hospital has had throughout the county and adjacent area. Not only do they serve the hospital efficiently and well without cost to the hospital, but in our two capital drives they voluntarily selected a substantial quota for their profession and then exceeded that quota in both drives.

"The banks of Adams County did likewise. The story of our state of Fairfield High School and is employed by R. W. Wentz and Sons, Gettysburg.

CAMPING TRIP FOR SCOUTERS

On Friday at 9:30 a.m. the Boy Scouts, Senior Scouts and leaders of Troop 73 went to the 40 & 8 cabin in the South Mountains for a weekend.

The boys took a three-hour hike over the mountains, during which a guest explained how to mark a trail when hunting to avoid becoming lost. He also gave a history of the mountains as the boys returned for supper. After supper there were movies and games.

On Saturday morning the Scouts prepared for a hike, which all Second Class Scouts were required to take for advancement. The boys ate their noon lunch in the open and then returned to the cabin after which they attempted to follow a trail set by the Senior Scouts.

That evening a song session was held and the Blackfoot Indian dancers of Gettysburg went through paces in the re-creation of Indian rituals and dances. The boys who participated were Buddy Bollinger, Chip Craver, Mike Cori and Tom Gifford.

Sunday School services were led by Harvey Bollinger. Then the Scouts went back over the marked trail and were shown markers they had missed the previous day. The boys then had a contest to see who could make the best litter. They returned to the cabin for lunch before the final games and departure.

Yanks Sign 2nd Youth To Bonus

NEW YORK (AP)—The New York Yankees Class A Eastern League farm team at Binghamton, N.Y., is going to have some high-priced help if the defending American League champs stay on their current bonus binge.

Their latest acquisition was Charlie Payne, a 19-year-old right handed pitcher from Hyattsville, Md., and George Washington University. The Yanks signed Payne Monday for an undisclosed sum.

He will join Howie Kitt, a left-handed pitcher, at Binghamton next season. Kitt was signed for "in excess of \$50,000" last Friday by the Yankees.

To Start Census On Fish Species

HARRISBURG (AP)—The Fish Commission will begin a census of trout and other fish species in Big Spring Creek, Cumberland County, starting Wednesday.

Crews will use electric shocking devices to bring the fish to the surface for a count. The device only stuns the fish and does them no lasting harm, the commission said.

"We are particularly anxious to check on the growth and population trends of brook trout which reproduce naturally in this water," said Dr. Albert S. Hazard, assistant director.

Rescued As He Slept On Steel Arm

PITTSBURGH (AP)—Firemen rescued Virgil E. Bears Jr., 32, of nearby Allison Park Monday night while he was sleeping on a steel arm on the underside of the Sixth Street Bridge.

Pedestrians saw Bears asleep on the arm that holds a navigation light for boats passing on the Allegheny River.

Firemen climbed down to Bears, placed ropes around him and raised him to the bridge deck. Police said he awoke after reaching safety.

Bears was charged with disorderly conduct and detained at Allegheny General Hospital for observation.

Steelers Relax For Four Days

PITTSBURGH (AP)—The Pittsburgh Steelers are relaxing for a few days. They will not practice until Thursday for their next game against Philadelphia at Forbes Field Dec. 11.

Coach Buddy Parker and his aides are using the lull to view films of college games in preparation for the National League draft.

The club said Monday halfback Buddy Dial suffered a cracked bone in a little finger against the Washington Redskins Sunday.

Palmer Winnings Up To \$79,200

DUNEDIN, Fla. (AP) — Arnold Palmer, already voted Professional golfer-of-the-year, has also become the biggest money winner for one season in the history of the game.

Latest figures released by the Professional Golfers Association list the 30-year-old competitor's earnings for 1960 at \$79,200. The Ligonier, Pa., pro pushed his official PGA winnings for the year to \$73,716 by grabbing \$2,000 first-place money in Sunday's final round of the Mobile, Ala., Open.

That placed Palmer almost \$900 ahead of the 1956 take of Ted Kroll.

Bellino To Receive Maxwell Club Award

PHILADELPHIA (AP) — Joe Bellino, Navy's All-America half-back candidate who set a new team scoring record, will receive the Maxwell Football Club Award as the nation's outstanding college football player at a dinner here Feb. 6.

Ronald E. Kenney, Maxwell club secretary, announced Monday that Bellino had been selected for the award which is in honor of Robert (Tiny) Maxwell, former football official and sports editor. Bellino scored 110 points and gained 534 yards in leading Navy to a 9-1 record and the Orange Bowl Jan. 2.

Dartmouth Signs Former HS Coach

HARRISBURG (AP) — Dartmouth College has hired Joe Yukica, a former central Pennsylvania high school football coach and now a line coach at West Chester State College, as its end coach. It was reported here today.

Yukica has submitted his resignation at West Chester and will be named at Dartmouth this week, the Harrisburg Patriot said.

Yukica, 28, a native of Midland, coached five years at Central Dauphin High School, near here, and had a record of 19 wins and one loss in the last two years. He joined the West Chester staff this year.

He coached at State College High School one year before going to Central Dauphin. His six-year record was 32-23-3.

He will succeed Elmer Lampe at Dartmouth, the newspaper said in an article by John Travers, and one of his first assignments will be recruiting talent from this area for the Ivy institution.

Pirates Sign Ron Northey As Coach

LOUISVILLE, Ky. (AP) — The Pittsburgh Pirates Monday signed former major league pitcher Ron Northey as a coach to replace Mickey Vernon, manager of the new Washington franchise.

Meanwhile, the Philadelphia Phillies, who had first choice in the annual baseball draft, picked catcher Clarence Coleman, 23, who batted .253 last season for Montreal of the International League.

N. O. CAGERS WIN OPENER

New Oxford High School got off to a good start Monday evening by winning its opening basketball game via a 41-30 decision over Northern at Dillsburg.

A strong fourth period in which the Colonials outscored their opponents 17-8 broke the otherwise tight game wide open. Jake Diviney's outfit sank 17 free tosses as compared to but four for the Polar Bears for its margin of victory. Mike Smith, the lone New Oxford letterman from last season, topped all scorers with 15 points. Burnell Humbert chipped in with 12.

The New Oxford reserves dropped the preliminary game 41-37.

Next Tuesday the Colonials will play their first home game when they entertain Dover.

Out Of The Past

From the Files of the

FIFTY YEARS AGO

Ripple Given Full Freedom:
John Ripple, who was placed on parole in Adams County Court this week, was given a hearing Wednesday evening by Justice of the Peace J. A. Potter, in Waynesboro, on the charge of having stolen two chicken coops and a crate of 30 dozen eggs from the Hoover mill, west of the town. On account of insufficient evidence the defendant was dismissed.

High School Annual Fair:
The High School building presented a gay scene on Friday evening when fairies, witches, Indian maidens, snake charmers, and various other characters hurried about the halls and rooms calling out the wonderful curiosities to be seen and the valuable wares to be bought. It was the occasion of the annual variety fair which will be continued this evening.

Judgments For The Merchants:
Squire Harshbarger this morning gave verdicts in favor of the plaintiff in the suits brought by the Retail Merchants Association of Gettysburg against Ben F. Kindig, proprietor of the Hotel Wabash, for \$75, and against Charles Strasbaugh of the Washington House, for \$25.00. The cases were heard on Friday.

The suits were brought to recover subscriptions to the National Guard encampment fund alleged to have been made by the local various hotel proprietors in town.

Town Boy Dies From Injuries:
Lawrence Warren of Stratton Street Dies In Pittsburgh From Injuries Sustained When Elevator Fell On Him. From injuries sustained when an elevator fell upon him in the Woolworth store and ten cent store in Pittsburgh on Wednesday, Lawrence J. Warren, son of Mr. and Mrs. Abraham Warren, of Stratton street, died in a Pittsburgh hospital on Friday night.

Mr. Warren went to Pittsburgh several years ago and at the time of his injury was employed in the basement of the Woolworth store. He was riding on an elevator when in some way he fell from it down the shaft, the car later descending upon him. In addition to severe internal injuries a leg was fractured, an ankle dislocated and other wounds and bruises were received.

Miss Smith Gets \$5,495 Verdict:
After deliberating nine hours the jury in the case of Miss Josephine Smith vs. the Borough of Littlestown reached a verdict of \$5,495 for the plaintiff at half past two this morning. Miss Smith had sued for \$10,000.

The case, which excited a great deal of interest, arose out of an accident which befell Miss Smith in June 1959, when she was walking along a pavement in Littlestown and fell down a hole at the side. She sustained ugly injuries and testimony at the trial indicated that it was impossible that she would be a sufferer from the injuries throughout her life.

Oil Spoils Turkeys:
The Pure Oil Company's pipe line burst, Wednesday, near Marie Furnace, and a large quantity of oil was lost and ran over the adjoining land.

It will be remembered that a break in the pipe line occurred at Glen Furney several weeks ago. Very much inconvenience has been caused the people in that section. The oil flowed into the stream from which a number of families secured their drinking water and to which their live stock and poultry went when thirsty.

Your youngsters will like chocolate pudding topped with banana. For a pretty result run the sharp tines of a fork lengthwise down the peeled banana and then slice. Dip the banana slices in orange or other citrus juice so they won't discolor.

Today's Talk

OTHER PEOPLE
Other people are replicas of ourselves. When we take it upon ourselves to criticize someone else, we are calling their attention to our own faults.
We rarely look at it in this light, but "Oh wad some Power the giftie gie us, To see ourselves as others see us!" wrote that canny Scotsman Bobby Burns.
Other people really are our university, from whom we ought to learn. Perhaps they may be carrying around with them useful knowledge that they have inherited or acquired, the ownership of which has never occurred to them. We would be wise if we took that knowledge without their knowing it!
And then we might give it back on the sly.

For none of us are original. We are borrowers from the four ends of the earth. We take what other people leave or can't see possibilities in.

The very air is pregnant with ideas.
We must not forget that we are "other people" — to other people. The very gift of the passerby may suggest that he has missed something. Much of correction may come through observation.

Other people's mistakes and blunders do not worry me. I am too busy figuring out how I shall eliminate and forget my own.

Living is a task for any man or woman. Respectability is but a term, after all. Anyone is respectable who is honest.

We must each set our own standards—but we must live up to them.

This would be a much better and more satisfactory world if we didn't spend so much time over the affairs of other people. Things work out.

Tomorrow Mr. Adams will talk on the subject: "Expression"

Junior League Going Ahead With Plans For Ten Teams In 1961

By JOE REICHLER
Associated Press Sports Writer
LOUISVILLE, Ky. (AP)—The American League, anticipating a negative National League reply to its nine-team interleague play proposal, plans to reaffirm its original decision to place a franchise in Los Angeles and expand to 10 teams in 1961.

This move was indicated today by Cleveland Vice President Nate Dolin and Vice President Hank Greenberg of the Chicago White Sox, who insist the time has come when the American League must stop procrastinating and force a showdown with Los Angeles Dodger owner Walter O'Malley.

It was O'Malley's steadfast opposition to a rival major league club in Los Angeles that forced the American League to back down last week and offer the nine team interleague competition as a compromise.

NO REASONS

"We announced last week that if the National League did not agree to inter-league play, we would go to 10 teams and open shop in Los Angeles in 1961," said Dolin. "I see no reason why we should waver on this decision."

"The American League has declared its earnest intention to negotiate a reasonable settlement with O'Malley for expenses he had to assume in his three-year operation in Los Angeles. I feel confident Commissioner Ford Frick and the two league presidents, in their meeting in New York tomorrow, will decide on a plan that will enable us to operate in Los Angeles next year."

Greenberg, a staunch advocate of interleague play, has just about given up the idea he has been nourishing for five years.

22 PLAYERS DRAFTED

One rumor was squelched Monday during the annual player draft when the majors selected 22 players at a cost of \$472,000 and the higher minors followed by drafting 36 players from leagues of lower classifications for \$345,000.

That was the report that the American League would put off for one year in placing a new team in Washington and revert to an eight-team league in 1961.

SENATORS PICK 2

"The American League has not asked us to postpone our entry into the nation's capital," said Ed Doherty, general manager of the Senators. "And we at no time entertained such a thought. When the opening day of the 1961 season comes around, our Washington team will be out there on the field ready to take on the opposition."

Doherty selected two minor league players, at a cost of \$25,000 each, in a special one-team draft following the regular draft of the eight established clubs. This pitchers John Gabler, a New York Yankee farmhand at Richmond last year; and Ray Semproch, a Dodger chattel at Spokane, became the first members of the newly created Washington Senators.

17 High School Grid Teams Finish Season Unbeaten

By FRED WALTERS

HARRISBURG (AP) — Seventeen teams will carry long winning streaks into the 1961 high school football season.

An 18th, West Scranton, can join the select list by winning the East Penn Conference championship this Saturday when it plays Berwick.

The 17 were the schools that finished the 1960 season with all-winning records.

HEADED BY WYOMISSING

They are headed by Wyomissing, which stretched its string to 21 by winning eight games, and Clifton Heights, also an eight-game winner, which ran its total to 17.

The others are Carlisle, Chief Logan, Lock Haven, Norristown, Kenrick and Washington Twp., which each won 10 games in 1960; Chestnut Ridge, Beaver Falls, Conneaut Valley, Fairview and Trevorton, nine-game winners; Beaverdale, Clifton Heights, Sheffield, Trafford, Wyomissing, which won eight, and Bradford St. Bernards and Northwestern, with seven victories.

LITTLESTOWN NAMED

Another 13 teams had only ties on their otherwise perfect records: Nesheim, 10-1; Albert Gallatin, Conestoga, Littlestown and Sayre, 9-1; Brockway, North Union and Union Jr., 8-1; Ridley Twp., 8-2; Neville and Verona, 7-1; Germantown Academy, 6-1, and Old Forge, 7-3.

LaSalle, once-tied in nine games, will be shooting for its ninth victory when it plays Frankford for the Philadelphia city title Dec. 10. LaSalle was the Catholic League champion and Frankford, the Public League winner.

In 1959, 19 teams won all their games and nine others were unbeaten but tied.

McDermitt Beagles Win Field Trial

Beagle hounds owned by Leo McDermitt, 154 Hanover St., placed high in the field trials conducted Sunday by the York-Adams Beagle Club.

Robbie's Becker won first place and Hillsdale Sally Blue took the reserve position in the 15-inch class. Battlefield Daisy placed fourth in the 13-inch class in a field of 53 dogs.

On November 20, Battlefield Midget, a 13-inch bitch, took second place at Carlisle in a field of 48 dogs.

EAGLES BEING SWAMPED WITH DUCAT ORDERS

PHILADELPHIA (AP) — The Philadelphia Eagles, who need only one victory in three remaining games to clinch the National Football League Eastern Conference title, are being swamped with applications for tickets for the championship game.

But Eagles' officials are returning the applications and enclosed checks with the following note:

"This is to inform you that the playoff for the championship is conducted by the commissioner and National League officials. As a consequence, the disposition of tickets to the championship play-off games will be decided by the commissioner at the meeting in the commissioner's New York office, Dec. 6.

ASSURE SEASON HOLDERS

"However, this much is certain at this time. All Eagles' season ticket holders will be assured of the opportunity to purchase the same seat locations for the championship play-off game if the game is played here in Philadelphia."

The championship game will be played this year at the home site of the Eastern Conference winner. Should Philadelphia win, it would be Franklin Field, which seats 60,547.

But adding to the uncertainty of the ticket situation is the possibility that the championship game now scheduled for Dec. 26, may not be held until January because of a possible four-way tie for first place in the western conference.

Meanwhile, the Eagles announced they plan to increase the capacity of Franklin Field by placing 6,000 temporary seats around the perimeter in front of the box seats.

STATE SCHOOL GRID PICKS ARE RELEASED

JOHNSTOWN, Pa. (AP) — Two backs head this year's Pennsylvania State Colleges Conference all-star football team selected by conference coaches.

The leading vote-getters were Joe Iacone of West Chester and Ronnie Puhl of Lock Haven.

Also selected Monday night were backs Gary Gilbert of Edinboro and Jim Pribula of West Chester; ends Ray Ronchi of Mansfield and Ed Becker of East Stroudsburg; tackles Dave O'Dessa of Edinboro and Joe Bache of Indiana; guards Bob Cloberty of Clarion and Fran Cornelius of Lock Haven; and center Dick Welslayer of East Stroudsburg.

Cloberty, Cornelius and Gilbert also were selected on the 1959 team.

SECOND TEAM

The second squad consists of backs Vince Bonkoski of West Chester, Bill Jackson of Clarion, Tony Soukovich of California and Moses Scott of Bloomsburg; ends Joe Sopak of California and Bill Gray of West Chester; tackles John Pavlik of Millersville and Bob Warren of Bloomsburg; guards Sterling Brown of East Stroudsburg and Cordell Godelte of West Chester; and center Lou Capararo of West Chester.

Honorable mention: Backs — Ernie Widmar of Clarion, Steve Bednar of Millersville, Fred Peightal of Lock Haven, Bill Roesh of Mansfield, Ed Cocco of Bloomsburg and Phil Clifford of California.

ENDS

Ends—James Conrad of Bloomsburg, Max Mission of West Chester and Sam Scavo of Indiana.

Tackles — Bruno Raso of Slippery Rock and Denni Telfer of Millersville.

Guards — Bernie Santaniello of Millersville, John Sills of Bloomsburg and Gus Nauman of Slippery Rock.

Center—John Morgan of California.

Shippensburg failed to place a player on the team for the first time since the conference was founded in 1951.

STATE PREPS FOR OREGON

UNIVERSITY PARK, Pa. (AP) —Coach Rip Engle scheduled the first rough week today as he began getting his Penn State football team ready for its Dec. 17 Liberty Bowl battle with Oregon. "I only hope the squad can maintain the peak it has reached at season's end," Engle commented.

Two key injured players, end John Bozick and halfback Roger Kochman won't play in the bowl game. Kochman was out all season with a bad knee and Bozick broke a leg against West Virginia.

ALEXANDER DOUBTFUL

Another injured player, end Dave Alexander, remained doubtful with a shoulder separation.

State finished its season with a rush, winning its last four games, and Engle said: "We could play any team in the nation and give a good account of ourselves at the end of the season."

"Oregon can expect that we will continue to use frequent interchange of our two teams. It is not a spectacular squad, but it is extremely workmanlike and as tough and aggressive as any team in the country. One factor in our late-season showing was our willingness to gamble on equal time for the two teams. It paid off by wearing the opposition down."

One unit is directed by Quarterback Galen Hall, a junior, and the other by Dick Hoak, a halfback converted to quarterback, a senior.

Wilson Still Leads AHL Scoring Race

NEW YORK (AP)—Larry Wilson of Buffalo still holds a one-point lead in the Buffalo-Springfield dominated American Hockey League scoring race.

Official statistics today showed Wilson picked up seven points last week for a total of 37 on 11 goals and a league-leading 26 assists. Bill Sweeney of Springfield moved into the runner-up position with 36 points, while Buffalo's Phil Maloney slipped into a third place tie with Floyd Smith of Springfield, each with 32. Sweeney and Smith each added eight points last week, Maloney three.

Dick Gamble of third place Buffalo leads in goals with 16.

Marcel Paille of Springfield is the leading goalie with a 2.17 goals-against average and five shutouts.

BOWL TEAMS GET INJURED IN GOOD SHAPE

By MIKE RATHET

Associated Press Sports Writer

College football's bowl-bound eleven, deservedly resting on their laurels, today were concentrating on getting their wounded warriors into shape for the post-season classics before resuming full-scale workouts.

Duke's Atlantic Coast Conference champions, who meet Arkansas' Southwest Conference title in the Jan. 2 Cotton Bowl, were the lone exception as the head coaches of the 15 other teams headed for major bowls rewarded their players with 10-day vacations.

The Blue Devils (7-2) close out the regular season Saturday against UCLA at Los Angeles.

RAZORBACKS SHARP

The Razorbacks (8-2), who'll resume practice a week from Friday, expect to have No. 1 fullback Joe Paul Alberty at full strength for the Cotton Bowl along with end Leslie Letsinger. Both have been hobbled most of the year.

Co-Big Ten champ Minnesota (9-1) in the Rose Bowl, expects to hold no more than two or three formal practice sessions before leaving for California. Fullback Tom Robbins, the Gophers' kicking specialist hurt on the first play of the season, may be available for duty.

The Huskies will be at full strength for their defense of the Rose Bowl title with All-America quarterback Bob Schloredt returning to action for the first time since Oct. 15, when he broke his collarbone in the UCLA game. Halfback Don McKeta, who gashed his calf against Washington State, also will be ready.

2 FLORIDANS OUT

Florida (8-2) has two key operatives on the injured list—end Tom Smith and halfback Dick Skelly—and their status for the Gator Bowl encounter with Baylor (8-2) Dec. 31, still is uncertain. The Bears are physically sound.

Navy (9-1) and Missouri (9-1) reported no front-line players sidelined now that Tigers' quarterback Jim Johnson, out with a broken thumb since Oct. 29, is rounding into form for the Orange Bowl. Sugar Bowl foes Mississippi (9-0-1) and Rice (7-3) also found their casualty lists clean.

The same was true for Penn State (6-3) and Oregon (7-2-1) who'll clash in the Liberty Bowl, and Bluebonnet opponents Texas (7-3) and Alabama (8-1-1). These four teams, begin workings at the end of the week with their post-season meetings set for Dec. 17.

New Mexico State (10-0) one of the two major unbeaten and untied teams, has all hands in shape for its Sun Bowl date with Utah State (9-1). The Utahs are hopeful that halfback Jim Swindle, out five weeks with a broken wrist, will be able to play.

Notre Dame Officials Not Too Worried About Team's Poor Year

By JERRY LISKA

Associated Press Sports Writer

SOUTH BEND, Ind. (AP) — stamped far and wide as an "academic" question is whether Notre Dame is dead as a college football power, incapable of ever rising again to national championship stature.

In the wake of this season's disastrous campaign two wins and eight losses, which matched the record low of 1956 in Notre Dame's football history, this writer searched the campus for what promise may be held for the school's grid future under its tightening academic standards.

The school's president, the Rev. Theodore M. Hesburgh, said "we're not pushing the panic button."

WEIGHING THINGS

Coach Joe Kuharich, while suggesting modern football works in cycles, said he was "weighing things in my mind," when questioned about continuing at the Irish helm. His four-year contract extends through 1962.

A segment of the student body demonstrated against the school's avowed policy of "academic excellence," which most of the uncounted Irish rooting legions blame for the decline and fall of Notre Dame football.

"We want football, we want football," a throng of about 800 chanted in front of Corby Hall, where Father Hesburgh and other faculty priests reside.

Minnesota Ranked First In Final AP Poll In Close Race

By HUGH FULLERTON JR.

Associated Press Sports Writer

Minnesota, the comeback team of the year, won the national college football championship today in the final Associated Press poll of the 1960 season.

In a remarkably close vote, the Golden Gophers, last-place team of the Big Ten last year and co-champions this season, beat out Mississippi's Southeastern Conference champions for the title. Iowa, which battled Minnesota right down to the wire and drew even in the Big Ten race, was a very close third.

LITTLE DIFFERENCE

The difference on the ballots of 48 sports writers and broadcasters forming The Associated Press regional boards, was 1½ first-place votes and 22½ points. One voter, unable to decide between the Big Ten co-champions, split his vote between Minnesota and Iowa.

That gave Minnesota 17½ first-place votes and a total of 433½ points on the basis of 10 for each first place, 9 for second, etc. down to one for 10th. Mississippi, concluding a highly successful season last Saturday with a 35-9 victory over Mississippi State, drew 16 votes for first place and 411 points. Iowa with 12½ firsts, had 407½ points.

2ND TIME FOR GOPHERS

Minnesota was declared national champion in the first Associated Press ranking poll in 1936, when the Gophers' string of 28 games without a loss was ended by a 6-0 defeat by Northwestern. The final ranking of the leaders, with first place votes in parentheses:

1. Minnesota (17½) 433½
2. Mississippi (16) 411
3. Iowa (12½) 407½
4. Navy 262

5. Missouri 253
6. Washington (2) 250
7. Arkansas 212
8. Ohio State 138
9. Alabama 53
10. Duke 46

Others receiving votes were: Kansas 40, Baylor 35; Auburn 25, Yale 17, Michigan State 16, Penn State 15, New Mexico State 8, Florida 6, Syracuse and Purdue 4 each, Rice 3, Oregon 2, Tennessee, Michigan and Texas, 1 each.

Baylor Takes Lead In NBA Scoring

NEW YORK (AP)—Elgin Baylor of the Los Angeles Lakers played six games during the past week and took the scoring lead in the National Basketball Association. Philadelphia's Wilt Chamberlain, last week's leader, played only three games.

Baylor tallied 203 points for a total of 716, compared with 670 for Chamberlain. However, Chamberlain boosted his per game average to 37.2 to wrest this department from Baylor, who has a 35.8 average.

Jack Kemp Is AFL Passing Leader

DALLAS (AP) — Jack Kemp, ace of the Los Angeles attack, has regained the lead in American Football League passing.

Kemp was the first man to top the AFL, that 12 weeks ago. He took over the lead from Frank Tripucka of Denver with 44 efficiency points to 43½ for Butch Songin of Boston and 42½ for Tripucka.

Kemp has thrown 320 passes and completed 163 for 2,265 yards and 11 touchdowns.

COACH PROUD OF MINNESOTA DRIVE TO TOP

By JIM KLOBUCHAR

MINNEAPOLIS (AP) — The popping of Murray Warmath's buttons—"I'm so proud of the team I could burst!"—sounded loud and clear across the country from Buffalo, N.Y., to Minnesota today.

"The only thing wrong," shouted the big-shouldered Tennesseean, "is that I've been bragging about Minnesota so much this last week I'm out of buttons."

A man with a reputation for keeping a tight grip on his emotions, Warmath broke out of character and whooped with exuberance when he learned his team had been crowned 1960's national college football champion by The Associated Press.

GREATEST THING

"I'm just so touched I can hardly express it," he said at Buffalo. "For such an honor to come to a bunch of guys who took so much grief in the past, and fought so hard to come back this year—why it's the greatest thing that I've experienced."

Engagements in the East prevented Warmath from being with his players at the moment of their supreme triumph.

At home, Warmath's Gophers took the news with as much relief as elation.

DESERVED IT

Rose Bowl-bound, they had been afraid they would not wear the title of No. 1 when they headed West to play Washington.

"From the bottom to the top in one year," exclaimed pinch-hitter quarterback Joe Salem. "Who ever heard of it?"

"I don't want to sound immodest but I think we deserved it," said 255-pound tackle Frank Bridis.

"It makes every bump and bruise, every chewing-out and every ounce of sweat worth it."

ARCHIE MOORE WINS AGAIN

DALLAS, Tex. (AP) — Old Archie Moore, currently on the NBA blacklist for failure to defend his world's light heavyweight championship in the required time, decided young Buddy Turman Monday night then announced he probably would be back soon.

Moore, who admits to 43, wants to give Donnie Fleeman, the Texas light heavyweight champion, a chance.

Fleeman appeared on the same card and beat George (Scrap-Iron) Johnson of Oklahoma City on a technical knockout in the seventh round.

UNANIMOUS DECISION

Fleeman had said he thought Turman, 26, Tyler, Tex., heavyweight, would take out Archie.

But Fleeman, although he went the 10-round distance and never was badly hurt by the hard-punching Moore, was voted down by both judges and the referee. Referee Jackie Woodruff scored it 99-94, Judge Bill Shaw 98-94 and Judge Lonnie Hudkins 100-96.

Moore weighed 189, Turman 186.

Lionel Taylor AFL Player Of Week

DALLAS (AP) — Lionel Taylor, the Denver wingman who gains more yards from his position than do most of the backs, today was named American Football League player of the week on offense.

Taylor, who played his college football at New Mexico Highlands, caught nine passes for 199 yards and scored three touchdowns as Denver staged a spectacular 31-point rally in the final 25 minutes to tie Buffalo 38-38 Sunday.

He was voted the honor by a panel of AFL writers.

FIVE TRACKS RESIGN FROM RACING GROUP

By JOHN CHANDLER
Associated Press Sports Writer
NEW YORK (AP) — The Thoroughbred Racing Associations, Inc., a group which makes up a majority of the nation's major horse racing tracks, was shaken to its foundations today by the withdrawal of five track groups.

It was the culmination of a long-standing feud with Spencer J. Drayton, TRA executive vice president.

However, the TRA in its 19th annual convention here issued a statement indicating that it would steer a clear road ahead, following its code of standards in spite of the withdrawal Monday of Garden State Park in New Jersey, Hialeah in Florida, and three Chicago tracks, Arlington and Washington parks, and Balmoral which operates in meetings at Washington Park.

POLICING FORCE

The TRA was organized in 1942 and the Thoroughbred Racing Protective Bureau (TRPB) followed in 1946. Drayton came in to head the TRPB, the policing force of TRA tracks.

Drayton was the FBI agent in charge of Chicago who directed the capture of prohibition gangster Roger Touhy.

When Drayton set up the TRPB he saw to it that about 95 per cent of his force were former FBI men.

STEPPED ON TOES

Perhaps he stepped on a few toes, Eugene Mori, president of Garden State Park and Hialeah, was an original member of the TRA board of directors. So was the late Benjamin F. Lindheimer, whose daughter Mrs. Marjorie Lindheimer Everett heads Washington and Arlington parks. Hubert Howard is head of Balmoral.

TRA directors interpreted the resignations to a difference in policy concerning the authority given to Drayton, who is also president of the TRPB.

Several years ago at the TRA convention in San Francisco, objections were raised about Drayton's powers. Drayton resigned, but the TRA board refused to accept it and he remained.

'MINUTEMAN' PROGRAM TO GET UNDERWAY

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP)—Within a few weeks a sleek Minuteman missile will stab skyward from this test center, signaling the start of a development program designed to give the United States a revolutionary weapons system bordering on the science-fiction concept of push-button war.

Once Minuteman is perfected, the Air Force plans the fastest missile buildup in U.S. history. The buildup, scheduled to start in mid-1962, will mark the beginning of an era when rockets rather than manned bombers will be the dominant force in the Strategic Air Command.

Present plans call for at least 600 Minutemen to be deployed by late 1964. About 450 of these will be spread across the Western United States in hardened underground silos built to withstand a near-miss by a nuclear bomb. The other 150 will roam the countryside on special railroad cars, making them elusive targets.

PLAN FOR 2,000

Defense planners are talking of eventually having 2,000 Minutemen.

Construction has been completed at Cape Canaveral on extensive facilities for the flight test program. The launch area includes two beehive-shaped blockhouses; two regular launch pads; two 90-foot deep silos, and assembly, storage, inspection and industrial buildings.

The initial launchings, slated to start in December, will be from land pads. Silo firings will begin in about six months, with railroad car shots scheduled here later in the program.

SOLID FUEL ADVANTAGE

What is the advantage of Minuteman over the Atlas and Titan ICBMs?

"The answer is simple—solid fuel," an official replied. "Solid fuel permits storing of Minuteman for months in silos. It permits firing the missile from underground. And it gives the missile mobility, enabling it to be carried by railway."

"Atlas and Titan are tied to one launching pad because of their difficult-to-handle liquid fuel, which requires extensive ground support equipment and more complex parts in the missile. Until storable liquid fuels are developed, Atlas and Titan will require a countdown and will have to be fired above ground. Thus, they are more vulnerable targets than Minuteman."

College Professor Tells Of Safety In Winter Driving

By BOB FOSS
MADISON — A University of Wisconsin research professor who has conducted winter driving tests on Wisconsin's ice and snow for the past dozen years has revealed that some winter tire adjectives occasionally "get carried away and present misleading information which is unfair to the majority of companies which stick to factual information."

He calls attention to a national warning that "misleading advertising concerning nonskid properties of tires can become an indirect cause of costly traffic tie-ups and painful accidents by leading motorists into taking risks of which they are not fully aware."

Prof. Archie H. Easton, director of the Motor Vehicle Research Laboratory at the University of Wisconsin, points to results of comprehensive tests by the National Safety Council's Committee on Winter Driving Hazards. He is chairman of the committee and is described as the outstanding authority on "coefficients of friction as related to winter road surfaces."

WINTER DRIVING HOBBY

Prof. Easton's favorite subject, when he isn't teaching his engineering classes at the University, is to talk about the facts of safe winter driving. He points out that during snow-ice months rural traffic death rates are three times higher than in urban areas.

Having risked his limbs and life time and again in winter test driving, Easton can tell about hundreds of test results with all types of vehicles, tire treads and chains to reduce dangers of skidding or stalling. He recommends that all snow-belt drivers, particularly those in rural communities, study the following facts:

WINTER STARTING — When it comes to starting and pulling ability on glare ice, snow tires are 28 per cent better than regular tires; regular tire chains are 231 per cent better, while reinforced tire chains are 409 per cent better.

On loosely packed snow, the snow tires are 51 per cent better than regular tires, whereas reinforced tire chains provide 313 per cent better traction.

STOPPING ABILITY — On glare ice, at only 20 mph, braking distances for regular tires average 195 feet. Snow tires take 174 feet, regular tire chains 99 feet, and reinforced tire chains 77 feet. At 20 mph on loosely packed snow, regular tires stopped in 60 feet, snow tires 52 feet, regular tire chains 46 feet, and reinforced tire chains 38 feet.

BASIC CONCLUSIONS — Prof. Easton summarizes other basic conclusions from his winter driving tests, to aid drivers in 43 snow-belt states just before severe weather and road conditions set in, as follows:

1. The most hazardous winter surface condition is ice near or at the freezing temperature.

2. Braking distances on winter surfaces are 3 to 12 times as great as those on bare pavement.

3. Tires and traction devices listed in the approximate order of increasing effectiveness on winter surfaces are as follows:

A. Smooth tires—very poor in cornering. Should not be used.

B. Regular tires — inadequate under many winter conditions.

C. Winterized tire (tread treatment or break-out material)—provide better traction on ice, not much improvement in snow over regular tires.

D. Mud-snow modern design—provide better snow and ice traction than regular tires.

E. Embedded metal coils, serpentine ribs—provide better snow and ice traction than regular tires. Effective on wet ice.

F. Sanders—performance outstanding in traction on ice only.

G. Regular round wire tire chains — good stop-and-go performance on ice and snow. Side-slip resistance low compared to reinforced tire chains.

H. Reinforced tire chains — best

YOUTH NAMED STAR FARMER

HARRISBURG (AP)—David M. Litchard, 18, of Turbotville R. 1, has been selected by the Keystone Future Farmer of America Advisory Council as the star farmer of Pennsylvania.

The Montour County youth was selected by the council on the basis of achievements in scholarship, agriculture and leadership.

The honor—highest that can come to an FFA member at the state level—will be presented Jan. 11 at the mid winter FFA meeting during the 1961 State Farm Show.

Designation as state star farmer carries with it an award of \$200 from the national FFA foundation.

Litchard was selected from the 13-county south central region. The leading contender in each of the other four districts was selected regional star farmer and each will receive an award of \$150. They include:

Southwestern Region (11 counties)—Roger Berringer, 17, Cherry Tree R. 2, Indiana County, a senior at Purchase Line Joint High School.

Northwestern Region (15 counties)—Robert Foote, 19, Centerville R. 3, Crawford County, a 11960 graduate of Townville Consolidated High School.

in overall performance on both ice and snow.

WHAT TO DO? — 1. A driver should select the tire that best suits his situation and supplement it by always having reinforced tire chains available in the car trunk. They are often needed for severe conditions.

2. Pump brakes to reduce skidding, maintain steering control, and shorten stopping distance. Use brakes judiciously to evaluate road surface if questionable.

3. If a vehicle begins to skid, the driver should reduce the power and turn the steering wheel in the direction of the rear end skid until recovery begins.

4. The application of power and steering forces should be gradual and smooth on winter surfaces.

5. Use recommended tire pressures for best tire performance on ice.

'CHURCHILL' FINEST HOUR FOR ABC-TV

By CYNTHIA LOWRY
AP TV-Radio Writer
NEW YORK (AP)—The American Broadcasting Company has achieved its finest half hour with its new "Winston Churchill—The Valiant Years" which made its debut Tuesday night.

Based on the six volumes of Churchill's memoirs, the 26 programs will tell the story of World War II, largely through the former prime minister's words and from his viewpoint.

This reporter had a preview of the first and third programs in the series and found them dramatic, thoughtfully and lovingly constructed and deeply moving. Researchers must have worked endlessly selecting the old news-reel clips and still photographs of the troubled times and the prime minister, but they were perfect.

EXCELLENT CHOICE
Richard Burton, a fine English actor, was an excellent choice to read Churchill's prose—he did not try to imitate the old man (whose own voice was used for some of his memorable speeches), but gave it richness and flavor. Gary Merrill did the narration, smoothly and concisely.

A magnificent score by Richard Rodgers welded the bits and pieces of the giant jigsaw into an emotion-tapping whole. In a way, it is reminiscent of the 1952 "Victory at Sea" series, but is more gripping because it is more personal.

The initial program — "The Gathering Storm" — is not the most effective of the series, but it was essential, in starting the project, to run through the events leading up to Britain's declaration of war. Even so, with the use of charts, maps, and re-enactments — and the score — it was concise

The POWER of FAITH by Howard Brodie

As Christmas approached in the Austrian village of Oberndorf in 1818, the church organ broke down. Father Joseph Mohr felt that his flock would be disappointed without the prepared organ music, it is said, and so began to write the words of a new song, Silent Night, Holy Night. It is documented that on Christmas Eve day, he handed his words to the church organist, Franz Gruber "with the request that he write for it a suitable melody arranged for two solo voices, chorus, and a guitar accompaniment. On the very same evening the latter . . . handed to the pastor his simple composition, which was thereupon immediately performed on that holy Night of Christmas Eve . . ." Thus, the seeming obstacle of a broken organ, gave rise, through the talent and spirit of two men, to the inspired Christmas carol.

LIONS PLAN FAMILY NIGHT DECEMBER 15

An illustrated lecture on the "Transportation Industry in America" will be presented at the semi-monthly dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. at Dutterer's Restaurant, S. Queen St. B. F. Rauch, Union Mills, will be the guest speaker and tell of the impact of the trucking industry on our economy. The publicity committee, composed of Wilbur E. Mackley and P. Bernard Weaver, will be in charge of the program. During the business period, Lion Harold O. Sentz will give a report on the club-sponsored TV Party Time show held last month for the benefit of the activities fund.

The annual Christmas family night affair by the Lions will be held on the regular meeting night, December 15, at 6:30 p.m. The event will be held in St. Aloysius Catholic Church Hall and Dutterer's Restaurant will cater. Santa Claus will be present to visit the children. Arrangements are in charge of the boys and girls committee consisting of Edgar A. Wolfe, Wilbur A. Bankert and Wilmer L. Dutterer. Reservations to attend should be made with a member of the evening's committee at the meeting this Thursday.

A party was held on Saturday afternoon at the home of Mr. and Mrs. Richard Bixler, W. King St., in honor of the eighth birthday of their daughter, Carolyn. Games prizes were won by Linda Woodward and Roxanne Hall. Refreshments were served. Present were Peggy Jo Hartlaub, Linda Woodward, Toni Rebert, Roxanne Hall, Sharon Lippy, Sharon Clouser, Darlene Messinger and Bonnie Morehead.

Girl Scout Troop 45 will meet Wednesday after school at the engine house with leaders Mrs. John Kump and Mrs. John H. Flickinger.

The Junior Woman's Club of Littlestown will have a roller skating party on Thursday from 7:30 to 10:30 p.m. at Rainbow Rink, near Taneytown. Club members and friends are invited to attend. Tickets may be secured at the door. Mrs. Bernard G. Kebl is chairman of the committee in charge of arrangements.

The planning committee for the proposed community center will meet tonight at 8 o'clock at the community building on E. King St.

Twenty-two members attended the meeting of the Junior High Luther League of St. Paul's Lutheran Church held on Sunday evening. Jacqueline Waganan was

leader and presented the topic "When School Is Out." There was a panel discussion on the topic by John Burgoon, Barbara Smith, James Rohrbaugh and Barbara Pittenturf. Bible readings were given by Ruth Benner, Peggy Myrers and Nancy Snyder. Carolyn Kump was pianist for group singing. It was decided to spend some time at the World Service Center in New Windsor on a date to be announced. Ronald Beaver was appointed to be leader for the meeting next Sunday at 6:30 p.m. Members of the Littlestown Junior Chamber of Commerce will participate in the "roll-out-the-barrel" program with the Hanover Jaycees there on Thursday evening. The local chapter will leave for Hanover from Dutterer's Restaurant, S. Queen St., at 8 p.m. The Littlestown Jaycees will sell Christmas trees and pine roping as a fund raising project at the Super Thrift Market, N. Queen St., against this year. The date when the trees and roping will be available will be announced later.

Laundry Worker

Partners in Community Health Care

Everyday is wash day at the hospital . . . And it's a wash day like no housewife has ever experienced.

The laundry department of your hospital, another important member of the hospital "team", may handle as many as three tons of linens, towels and uniforms in a single day.

The cost of operating this behind-the-scenes unit adds its share to rising hospital costs and, naturally, is reflected in your hospital bill.

That's why it's good to have Blue Cross on the team, too, helping you to meet those costly bills when you need hospital care.

Your Blue Cross and the hospitals are proud to be partners in providing more community health care for more people.

NEW PARIS MUSICAL

NEW YORK (AP) — Another French show has been optioned for Broadway by Joseph Kipness, who struck it rich as co-sponsor of the long-running revue "La Plume de Ma Tante."

The new Paris musical, "Fidelity Lane," is planned for presentation here next season. The original lyrics and story are by Alexandre Breffort, who handled the same jobs for the current local success, "Irma la Douce."

and interesting. The third program, telling the story of the rescue of the British army at Dunkirk by the "mosquito fleet," was a sample of what a stunning series it will be.

Don't miss this one, even if it is on pretty late Sunday night.

PHILADELPHIA (AP) — Democratic Mayor Richardson Dilworth

has expressed regrets for criticizing suburban residents for voting Republican.

In a letter to the Philadelphia Inquirer Saturday, the mayor said he was sorry for his "unfortunate language." The letter was in reply to an Inquirer editorial advising him to watch his tongue.

LEOPOLDVILLE, the Congo (AP) — Ex-Premier Patrice Lumumba slipped secretly out of his guarded residence Sunday night and left for Stanleyville, his political stronghold.

Aides issued a statement saying he had gone to that capital of Oriental Province for a few days to attend the funeral of his infant daughter. His stay will be "of a limited duration," it added, and he will return for a unity conference of Congolese leaders.

ACHIEVEMENT WINNER

CHICAGO (AP) — The National 4-H Club Congress has named a Centre County, Pa., youth its national achievement winner.

Donald S. Barr, 18, of Port Matilda, Monday was awarded a \$400 Henry Ford II scholarship.

Barr, a freshman at the University of Pennsylvania, has a herd of 13 cows on his parents' 350-acre farm. He also cares for 14 bee hives, raises capons and tends 3,000 seedlings.

Castro Expects A Softer U.S. Policy; Noise Bombs During A Long Harangue

By ROBERT BERRELLEZ
HAVANA (AP) — Fidel Castro hinted Monday he expects a softer policy toward Cuba when John F. Kennedy becomes president. The bearded prime minister's rambling speech was punctuated by noise bombs exploding in an unprecedented show of force by his enemies within Cuba.

In a 2½-hour speech at Havana University, Castro also accused Roman Catholic priests of taking money from sugar companies to preach against his revolution and suggested a new policy for the state-run sugar industry may be in the works. It may be aimed at flooding world markets and eventually giving Cuba more control over prices.

Two small noise bombs went off while Castro spoke. The second brought him to his angriest pitch. Shouts of "pardon" (to the execution wall) went up from the audience.

HEAVY POLICE CORDON

"Don't worry. Don't worry," Castro admonished the crowd. "These bombs are not set off by peasants, by the humble. They are set off by those who kneel before foreign interests, by those who would like to see bloodshed in the country."

Despite heavy police concentrations around the university, two bombs also went off while Castro was waiting to speak.

Altogether 19 explosions were counted throughout the city and its suburbs as Castro's opposition staged its biggest noise bombing since Castro gained power almost two years ago. Sporadic bombings have become an almost nightly occurrence in Havana.

AWAITS U.S. MOVE

Castro was as caustic as usual in his criticism of the United States. But he appeared to open the door slightly for an conciliatory move by Kennedy, although he indicated Cuba would not take the initiative in any fence mending.

"We will get together and map our sugar policy and then we will see what they will do," Castro said, referring to the new administration in Washington.

During the U.S. election campaign, Castro said, "Senor Kennedy made much demagoguery. But he suggested Kennedy could change his tune—it is one thing to use the guitar and another to use the violin."

NOUAKCHOT, Mauritania (AP) — Mauritania proclaimed its independence of France Monday and became the 13th French African territory to gain sovereignty this year.

Desert tribesmen danced in the streets of this unfinished capital and Moorish horsemen fired ancient muskets as 57 years of French rule ended.

Only Algeria and a scattering of small islands and territories remain under the French flag in Africa.

ABC PROVIDES COMPETITION FOR CBS, NBC

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—While the tinkling of the bells of the sidewalk Santas rings across the land and the Christmas spirit of peace is abroad in the world, television-land is locked in fierce combat—more violent than ever before.

In the good old days—well, until fairly recently—the Columbia Broadcasting Company and the National Broadcasting Company battled in gentlemanly fashion for audiences, ratings and sponsors' coin. The smaller, poorer American Broadcasting Company had to be content with the leftovers.

Now, however, tough, ambitious hard-fighting ABC has shoved and pushed itself into the competition. Currently it is right up with the big two in the favor of the audiences.

NOT HAPPY

None of this has made CBS and NBC very happy—audience ratings now reflect a three-way split and often these days they are on the short ends of the polls.

The two established networks have had a tendency to regard the upstart ABC in much the way old established social leaders regard the activities of a pushy, new-rich family, particularly since ABC has made no bones about its uncomplicated interest in getting big audiences. It has done it, largely by scheduling action and adventure in massive doses and—until very recently—taken little time for the so-called "finer things" of TV—public information shows and many specials.

ABC seems particularly to have

84 Boxcars Run Wild For Five Miles In Philadelphia Mishap

PHILADELPHIA (AP)—A string of 84 boxcars loaded with grain ran wild for five miles through Philadelphia Monday night, but quick thinking by two Pennsylvania Railroad workers prevented serious injury or damage along the way.

Frank W. Bartle, of Lansdale, Pa., a movement director, and Larry Vance, of Collingswood, N.J., a towerman in the West Philadelphia yards, combined to manipulate various switches in such a way that the runaway cars missed any passenger trains or other properties.

Bartle and Vance also routed the runaway cars—by again manipulating track control switches—so as to bring them into an upgrade area of line where they came to a halt. Several passenger trains were stopped a couple of miles away from the area of the runaway cars to insure safety.

2 INJURED SLIGHTLY

Charles M. Campbell, 55, of Camden, N.J., an engineer, and John A. Cooney, 38, of Narberth, Pa., were injured slightly when they jumped from a locomotive just before the runaway freight cars rammed it and carried it along the route. They were treated for bruises at Presbyterian Hospital.

A PRR spokesman explained the accident this way: A freight train bound from Buffalo, N.Y., to Jersey City, N.J., stopped at the entrance to the

throw a scare into NBC. Recently Robert Sarnoff, president of the network, was so irked by ABC and its claims he took a specific slap at the rival, in the course of a public speech to executives of stations affiliated with the network. He complained about ABC's concentrated programming and called it a "narrow-gauge network."

Intratelevision competition should be healthy rivalry and produce better programs for the viewing public. Unfortunately, this one—particularly if it becomes a struggle for financial survival—may have just the opposite effect. If ABC's formula of entertainment shows with lots of Westerns and private eyes, continues to attract increasingly large audiences and sponsors, both CBS and NBC may be forced to join it if they can't beat it with all their fine—expensive—public affair shows and specials.

East Berlin

MRS. JACK MILLER
Telephone 2566

EAST BERLIN—Saturday evening Ben Fox, a Pennsylvania Brethren volunteer, showed slides of his work in Europe to the East Berlin Church of the Brethren congregation.

Mr. and Mrs. James Gruver sold a property in Paradise Twp. to Mr. and Mrs. George S. Laughman. The Laughmans are building a new home on the property. The Intermediate Girl Scout Troop toured the Gettysburg Battlefield recently. They were accompanied by their leaders, Mrs. Ellen Hinkle, Mrs. Samuel Baum and Mrs. Stover; den mothers, Mrs. Robert Lusk and Mrs. David Krout.

The ULGW of Holtzschwamm Church met recently at the church. The program included a film illustrating the first Thanksgiving Day. Participating in the program were: Mrs. Carlton Howells, Mrs. Earl Resh, Mrs. Roy Brillhart, Mrs. Paul Miller, Mrs. Clarence Altland, Mrs. Melvin Gruver, Mrs. John Newcomer, Mrs. Lester Bentzel, Mrs. Edward Altland, Mrs. Clair Forry, Mrs. Roy Altland, Mrs. Russell Blum, Mrs. George Laughman and Mrs. Maurice Staub.

Mr. and Mrs. Donald Shaberly have moved into the second-floor apartment of the Glenn Cashman property, W. King St.

Mr. and Mrs. Lloyd Shultz and children, Gettysburg R. D., have moved into the second-floor apartment of John H. Myers, W. King St.

Mrs. Lucy Linebaugh, York, visited recently with Mr. and Mrs. Kurvin Krout.

Mrs. Mary Ida Brown, E. King St., and Mrs. Grace Butt, York, have returned from a recent visit in New York.

Mr. and Mrs. Richard Emig entertained at a dinner Thursday the following guests: Mr. and Mrs. Ray Miller and son, York Springs; Mr. and Mrs. William Altland and children, Newport; Max Emig, Mr. and Mrs. Merle Eisenhart and sons, Aspers; Mr. and Mrs. Curtis Eisenhart, Mrs. Elmer Mummert and son, Mr. and Mrs. Maxton Willet, and daughter, Mr. and Mrs. Robert Myers and daughter, Ross Eisenhart, and Mr. and Mrs. Emanuel Altland.

Most new railroad passenger cars are 85 feet long, but on some lines they vary from 60 to 88 feet.
